Marty and Terri Tuttle, and their daughters Nissa, Michelle, and Missy have been members of Sunset Lakes Resort since 1995. Terri has been employed as a part time resort staff member since 1998. Since winter of '06 Marty has been fighting kidney disease. After failed treatments and prescriptions, his condition turned for the worst in late fall of '07. Marty is now on permanent dialysis three days a week, 25 minutes from home. His eligibility for a kidney transplant will be determined in the coming months.

Please plan on attending and a bring friend. Those unable to attend but wishing to make a donation for the Marty Tuttle Benefit can do so through IH Mississippi Valley Credit Union.

SAVE OUR TREES!!

DNR warns that the Emerald Ash Beetle is invading the state killing Ash trees.

Almost 1/3 of our shade trees are ash, and their loss would be a detrimental change to our landscape.

Only wood from the QC area should be brought to the resort. Please also avoid pallet wood as it may have come from an infested area.

Thanks in advance for your cooperation.

SUNSET LAKES RESORT CAMP COMMITTEE

Publisher: Committee Council Volume Number: 10 Issue Number: 10 Date: April, 2008

FROM THE PRESIDENT

Fellow Campers. We are once again getting our Newsletter out to the Members of Sunset Lakes Resort. I certainly hope all of you had a good winter and are ready to once again start camping. I know I am. Your Executive Board Officers and the SLR Representatives have been very busy during the off season working and planning council sponsored activities and events for the 2008 season. Our Activities Officer, Margiret Lanhart and SLR Representative, Cindi Johnston have been the two major figures in planning. I believe they have put together a fantastic, fun filled summer program here at Sunset Lakes Resort. But we can't do this without your help and support. We are always looking for volunteers to become chair persons and committee members for the various activities and events that are planned. Without members stepping forward and volunteering, some of the summer activities and events may not take place and that would be very disappointing. So please, if you have some time to give and help your fellow campers have a great summer, please see any of the Executive Board Officers of the Council or the SLR Representatives.
Thank you and have a great summer.

Sincerely,
Gus Roraff - President
