The resort is planning to have CPR classes on either June 7th or June 28th at 9:00 am and 12:00 pm. At the time of print, the instructor had not confirmed a date.

Class will be just under 3 hours long, and will address infant, child and adult related cardiac emergencies. This class is geared toward the every day individual, no prior training or experience is required. Emphasis will be placed on CPR techniques and the use of an Automated External Heart Defibrillator (AED).

Volunteers Needed

Dear Fellow Campers,

Here it is May and it's time to come and camp with all your fireside friends. It's been a tad cool, and a wee bit wet, but all is well.

We are in need of people to chair a committee or help with an event. If you would like to get in on the fun, please call the resort and leave your name and number.

Both of the events to the left were organized in part by volunteers. Help us keep bringing quality fun to the lake!

Gus Roraff
